581007 Fescue Fly Force Premier-YC 50 pound bag

* Manufacturer makes no such claims.

Packaging & Form

- 50 pound bag

Feeding Directions

- Feed free-choice to beef and non-lactating dairy cattle.
- Consumption should not exceed 4 ounces per head per day so as not to exceed 3 milligrams selenium consumption daily.
- Place in a clean, dry feeder near a feed or water source.
- No more than a 7 to 10 day supply should be put out at one time. This will assure freshness and help to maintain adequate consumption.
